Andrea Sciarratta is a member of the Litigation practice group focusing on asbestos litigation. She also has experience defending premises owners, manufacturers, transportation companies and other businesses in a variety of toxic tort and general liability matters. She draws on a broad litigation background spanning asbestos exposure and other toxic torts, premises liability, professional liability, transportation law and other insurance defense matters.

Her experience includes drafting and arguing issues ranging from discovery disputes to dispositive motions, preparing and analyzing written discovery and negotiating favorable settlements.

BACKGROUND

Prior to joining Armstrong Teasdale, Andrea served as an associate at other St. Louis area law firms. During law school, she was an intern with the U.S. Attorney's Office for the Eastern District of Missouri and a Rule 13 attorney with the Missouri State Public Defender.
