

ARMSTRONG TEASDALE ADDS OF COUNSEL JAMES MAJOR

Armstrong Teasdale announces the addition of James R. Major, D.Phil., to the firm's New York office. He is among more than 180 lawyers and staff professionals who have joined Armstrong Teasdale in 2022 alone.

Major has joined as of counsel in the Intellectual Property practice group. For more than 15 years, he has counseled a variety of clients in successfully navigating complex intellectual property matters within the biotechnology and pharmaceutical fields including, most recently, biopharmaceuticals, vaccines, genetics, gene therapies, small molecules and pharmaceutical formulations. Major's doctorate in immunology and virology allows him to apply innovative research skills to improving client outcomes. He also takes a practical approach to patentable subject matter issues to obtain desired results in this complex, controversial and fast-moving area of law.
