

ASWINI ALVAREZ

ASSOCIATE
Chicago, IL
312.516.5641
amadugula@atllp.com

Aswini Alvarez is a member of Armstrong Teasdale's Intellectual Property practice group. She leverages a background in computer science to counsel clients in the preparation and prosecution of U.S. and foreign patent applications, as well as providing patentability and freedom-to-operate assessments.

BACKGROUND

Aswini was a law clerk and summer associate at Armstrong Teasdale before joining the firm full time. Prior to that, she held numerous legal internships and was a patent engineer at another Chicago area law firm.
