

CAITLIN FAGAN

ASSOCIATE
Denver, CO
314.259.4781
cfagan@atllp.com

Caitlin Fagan is an associate in the firm's Corporate Services practice group, where she advises clients on general corporate law and governance.

She reviews, negotiates and drafts various types of contracts for clients, including confidentiality agreements, supply agreements, services agreements and general terms and conditions. In addition, she has experience advising clients throughout the process of selling or acquiring a business, analyzing contractual and operational due diligence, drafting transaction documents and assisting clients with their business licensing requirements. Caitlin also assists with addressing client's data privacy issues, including responding to data breaches.

Caitlin has significant background in technology, having past experience as a business analyst for a global manufacturer, and is familiar with software, website development and associated security issues.

Caitlin studied abroad in France and has a wide range of international language experience that enables her to provide a global perspective to her clients doing business internationally. She is proficient in French, and has limited proficiency in Brazilian Portuguese and German.

BACKGROUND

Caitlin was a summer associate at Armstrong Teasdale prior to joining the firm full time.

- French

EXPERIENCE

\$137.25 Million Asset Sale for Independent Insurance Broker

Represented a large independent insurance broker in the sale of assets in exchange for cash and equity consideration valued at up to \$137.25 million.

Defeated Protest of \$138 Million Federal Contract Award

Defeated bid protest of technology company's \$138 million federal government contract award. Facing multiple protest grounds, we successfully used procedural and substantive arguments to prevent application of the ostensible subcontractor rule by the U.S. Small Business Administration.

Acquisition of Community Bank and Formation of Bank Holding Company by Investor Group

Represented the principals of a financial planning and investment management company and other investors in the formation of a bank holding company to acquire and recapitalize a troubled community bank. This included providing counsel on forming the bank holding company, identifying the target, negotiating the acquisition, raising capital, and securing regulatory approvals.

\$55 Million Sale of Advertising Company

\$55 million sale of advertising company to public company. The asset sale transaction involved the sale of rights in over 400 locations in four states, the transfer of over 1,000 advertising contracts, and the sale of two commercial buildings. The team helped the client navigate various corporate governance issues and achieve its goal of selling the business.
