

# CHAMBERS USA 2025 RECOGNIZES 16 ARMSTRONG TEASDALE LAWYERS, 7 PRACTICE AREAS

Sixteen Armstrong Teasdale lawyers and seven practice areas across multiple jurisdictions have been recognized in the 2025 edition of Chambers USA: America's Leading Lawyers for Business.

For more than two decades, Chambers has been highlighting top lawyers and law firms across the United States. Firms submit detailed information about their teams and areas of strength, followed by in-depth analysis and research including client interviews. Law firms and individual lawyers are ranked in bands from 1 to 6, with 1 being the highest. The qualities on which rankings are assessed include technical legal ability, professional conduct and client service, among others. Exceptional Lawyers can also be ranked Senior Statesperson, Star or Eminent Practitioner, and lawyers on the rise can be classified as Up-and-Coming, Associates to Watch or Star Associates.

This year, two lawyers and two practice areas achieved Band 1 status. In addition, Partner Monte Mann is being recognized for the first time this year in the Litigation: General Commercial category.

Practice areas that ranked across jurisdictions include Corporate/M&A, Environment, Insurance, Intellectual Property, Labor & Employment, Litigation: General Commercial, and Real Estate. In Florida, the firm was ranked as "Highly Regarded" for Litigation: General Commercial.
