

CHRISTOPHER FORNER

SENIOR PARALEGAL

Chicago, IL

312.516.5607

cforner@atltp.com

Christopher Forner is a senior litigation paralegal who is proficient in all phases of the Electronic Discovery Reference Model (EDRM). With over 10 years of experience in the field of e-discovery and data processing, he provides comprehensive litigation support through the design, management and implementation of electronic document review databases. Christopher provides additional support to litigation teams by assisting with data collections, developing complex searches, managing document reviews and preparing productions. He frequently assists with developing early case assessment strategies and technology-assisted review workflows to create more efficient, streamlined document reviews.

Christopher has a wide range of experience with a variety of software platforms including Relativity, Concordance, Catalyst, LAW PreDiscovery, West Case Notebook and TextMap.

BACKGROUND

Christopher was previously a litigation support specialist at Novack and Macey in Chicago, and joined Armstrong Teasdale in 2023. He also served as a paralegal at several Chicago law firms.
