

DONNA SCHMITT, ARMSTRONG TEASDALE RECOGNIZED IN 2026 COPYRIGHT 1000

Armstrong Teasdale Partner [Donna Schmitt](#) has been recognized as a Highly Recommended Individual in Missouri and Kansas by IAM's [2026 Copyright 1000](#). The guide identifies leading copyright practitioners in key jurisdictions around the world. Schmitt was highlighted as "the name to know, bringing a well-rounded mix of advisory, transactional and enforcement expertise."

In addition, Armstrong has been recognized as a recommended firm for its [Copyright](#) practice, which IAM describes as "a focused, commercially savvy copyright practice that is built around the realities of modern content use." The guide pointed to the practice's combination of day-to-day counseling with its ability to protect clients' content through "swift, tech-driven enforcement, especially through DMCA takedowns and platform-based actions."

Schmitt and the firm were also recognized this year in the World Trademark Review's [2026 WTR 1000](#), as well as being highlighted among [WTR's Global Leaders 2026](#).
