MANAGING IP NAMES ARMSTRONG TEASDALE PATENT PROSECUTION MIDWEST FIRM OF THE YEAR

Armstrong Teasdale has been chosen as Midwest Firm of the Year for Patent Prosecution by Managing Intellectual Property magazine. The 17th Annual Managing IP Awards highlight more than 650 legal practitioners and over 200 organizations worldwide. Awards are presented to firms, individuals and companies behind the most innovative and challenging IP work of the past year, as well as those driving the international IP market.

Armstrong Teasdale's Patent practice includes more than 50 patent attorneys, agents and engineers, many with advanced degrees (including Ph.D.s) and practical experience that enable them to develop optimal protection strategies for our clients' inventions and ideas. In the past five years, the team has filed 9,276 patent applications, with 3,684 originally drafted and filed. Members of our team are also experienced trial lawyers with significant IP litigation and post grant proceedings experience.

The awards for the Americas region were presented April 7 in New York.
