

MATT KITZI NAMED TO MISSOURI LAWYERS WEEKLY ‘POWER LIST’

Matt Kitzi, managing attorney of Armstrong Teasdale’s Jefferson City, Missouri, office, has been named to Missouri Lawyers Weekly’s Power List for White-Collar Defense. The list comprises the 30 most powerful attorneys in white-collar defense law who defend clients from adverse government actions of all sorts, whether it is in a court of criminal law or from an enforcement arm of a state or federal administrative agency. The publication’s editorial team made its selections based on archival research, interviews with attorneys and other leaders around the state, and review of records of verdicts and settlements.

Kitzi’s public service experience, highlighted by his seven-year tenure as Missouri Commissioner of Securities, gives him the ability to offer practical, insightful counsel to clients ranging from the largest financial services firms to entrepreneurs at new and emerging startup companies. Co-leader of the firm’s Securities Regulation and Litigation practice, he is a trusted adviser to his clients in the areas of securities regulation, raising capital, business planning strategies, financial services and government affairs.

The Power List appears in the Nov. 30 issue.
