

PETER MCLAUGHLIN

PARTNER

Boston, MA

617.824.5126

pmclaughlin@atllp.com

Peter McLaughlin is a seasoned privacy and data security attorney who advises clients with respect to a broad range of technology transactions, U.S. and international privacy, and cybersecurity issues.

Peter’s practice focuses on uses of data across a range of industry sectors, with a particular depth of experience in health care. He guides clients in their domestic and international handling of personal information; new product development; and the assessment of legally defensible cybersecurity programs.

BACKGROUND

Prior to joining Armstrong Teasdale, Peter served as partner at a Boston-headquartered law firm. He has also been Assistant General Counsel and Chief Privacy Officer for Cardinal Health and Assistant General Counsel for Sun Microsystems.
